Digital designer, photographer, event organiser

**Jonas Gøttler**

COO of Kanpla

Based on her internship from the 1st of January to the 31st of May.

I am happy to recommend Susan, who excelled during her internship with us at Kanpla. Susan showed a great blend of dedication and attention to detail, as well as multimedia skills in writing and working with pictures, videos, and content creation.

These qualities made it easy to give her responsibility for her own tasks.

Additionally, she was very active in our team activities and social initiatives around the office.

Jonas Gøttler, COO & Co-founder
